

Exit Pass

3rd grade and older only

Our goal at New Life Church is to provide the best care possible for you children. In an effort to do so, we have a check in/out system in place which must be completed by an adult. This allows you children to stay in a safe environment while you worship or are off of the church campus.

We understand there may be extenuating circumstances where a child may need to be released without an adult. The Exit Pass will allow that to happen. If you are not able to pick up your child because you are either involved in ministry or do not attend NLC with your child, and would like them to be released to meet you, please fill out this Exit Pass form. Exit Passes are for children 3rd grade and older. (An older sibling with an Exit Pass may pick up children Kindergarten—2nd grade) Passes may be revoked for inappropriate behavior by a student . Please understand that this is a privilege and will be treated as such.

In all cases, NLC will not be responsible for the safety of a child once they have been released with an Exit Pass! We ask you to carefully consider whether or not your child should have an Exit Pass. Please be aware that your child **MUST CARRY** their Exit Pass with them each time they attend a service from which you wish them to be released. **If your child does not present their Exit Pass they will not be released.** The first pass is issued for free, if an Exit Pass is lost or revoked you must fill out an *Exit Pass Replacement form* and pay a \$5.00 fee for the new Exit Pass.
